

Please check all boxes below to make sure your quilt is ready for services.

- Ensure all seams are sewn
- Trim all excess length of thread tails
- All corners of your top are squared
- Edges are uniform
- No "bling", buttons or snaps remain unless approved
- All pins or metal objects have been removed
- Top, Batting and Backing have not been basted together
- Batting and backing are 4-6" larger on EACH side than the quilt top**
- Backing has been sewn with a ½" seam allowance
- Backing has horizontal seams if using a directional pattern
- Your quilt does not have major waves in the borders
- Any special directions or requests have been discussed
- If providing fabric for labels or binding PLEASE do not pre-cut & call for yardage estimates.
